
goodshare.js Documentation

Release latest

Aug 25, 2023

Contents

1	Developers	3
2	Project assistance	5
2.1	Stargazers over time	5
3	License	7

Simple install, **extensive documentation**, developer support, **SEO friendly**, small bundle size **1.04 KB** (with all dependencies, minified and gzipped), many options for customization of appearance, **clean code without scripts tracking user activity** on the page, **high speed**.

CHAPTER 1

Developers

- Idea and active development by [Vic Shóstak](#) (aka Kodd).
- Collaborators:
 - [Ilya Reshetnikov](#) (aka devxom).

If you want to say «thank you» or/and support active development `goodshare.js`:

1. Add a GitHub Star to project.
2. Twit about project [on your Twitter](#).
3. Donate some money to project author via PayPal: [@paypal.me/koddr](#).
4. Join DigitalOcean at our [referral link](#) (your profit is **\$100** and we get \$25).

Thanks for your support! Together, we make this project better every day.
